

Public Workshop on Transit in Hanford

The Kings County Area Public Transit Agency (KCARTA) is working with a consulting team to evaluate transit services in Hanford. Your input is needed!

We invite you to participate in a public workshop to reimagine transit in Hanford.

WHEN: February 24 from 9:00 AM to 11:00 AM

WHERE: KART Transit Center, 504 W 7th St, Hanford or by Zoom

Please join us to learn about current services and provide input on future transportation needs. We want to know your opinions about KART.

- Do KART fixed route services in Hanford work for you?
- Do you wish you could use transit but find it doesn't work? How can we improve?
- Do you know KART is planning to build a new transit center? How will that change transit? How will it change downtown?
