Re: Unmet Needs Comment

At our February 28th board meeting we received a comment from Cynthia Baruch, from Naval Air Station Lemoore. Cynthia asked if KART can add a new route to NAS Lemoore.

Re: Unmet Needs Comment

We received comments from a COS student by email.

1. Increase the frequency of Hanford Routes from every 30 minutes to 10 minutes.
2. Sunday service on Hanford Routes and On Demand.
3. Saturday and Sunday service on Route 15 Visalia.
4. Expand the nightly service hours to COS Hanford.
