If a final judgment establishing the validity or existence of a lien for any amount is entered, Tenant shall pay and satisfy the same at once.

16. ABANDONMENT:

Tenant shall not vacate or abandon the Demised Premises at any time during the Lease Term; and if Tenant shall abandon, vacate or surrender the Demised Premises or be dispossessed by process of law, or otherwise, any personal property belonging to Tenant and left on the Demised Premises shall be deemed to be abandoned, at the option of Landlord.

17. SIGNS AND ADVERTISING MATERIALS:

Tenant shall not erect or place on or about the exterior of the Demised Premises any signs, advertising materials, or marquee, unless and until Landlord shall have given prior written approval thereof, and unless and until Tenant has complied, at its sole cost and expense, with the requirements of all municipal, state, or federal authorities pertaining to the erection or placement of a sign on the Demised Premises. Landlord shall have the right to approve, and to require the removal of any sign, banner, or advertising device or material located within the Demised Premises that is visible from outside the Demised Premises not pre-approved by Landlord. Tenant shall not display, paint, or place or cause to be displayed, painted or placed, any handbills, bumper stickers or other advertising devices on any vehicle parked in the Common Area or in the vicinity of the Building, whether belonging to Tenant, or to Tenant's agent, or to any other person; nor shall

Tenant distribute, or cause to be distributed any handbills or other advertising devices, and in the event of a violation of this covenant by Tenant, Tenant shall pay to Landlord the cost and expense necessary to remove any such unauthorized material.

18. EXTERIOR LIGHTING:

Tenant shall not install any exterior lighting on the Demised Premises unless and until Landlord shall have approved in writing the design, type, kind and location of the lighting to be installed, to be given or withheld in Landlord's sole discretion.

19. UTILITIES:

Tenant shall pay before delinquency all charges for gas, heat, electricity, power, telephone service, and all other similar services of utilities used in, upon, or about the Demised Premises by Tenant or any of Tenant's subtenants, licensees, or concessionaires during the term of this Lease. If any utility is not separately metered, Tenant agrees to reimburse Landlord for the cost of said service. Any security deposit, or connection charges, required by any utility company to furnish the service to Tenant shall be paid by Tenant.

20. ENTRY AND INSPECTION:

Tenant shall permit Landlord and Landlord's Agents to enter into and upon the Demised Premises at all reasonable times during normal business hours upon at least 24 hour written notice for the purpose of inspecting the same or for the purpose of maintaining the Building, including the erection and maintenance of such scaffolding, canopy, fences and props as may be required, or for the purpose of posting notices of non-liability for alteration, additions or repairs, or for the purpose of placing upon the Building any usual or ordinary "For Sale" or "For Lease" signs. Landlord shall be permitted to do any of the above without any rebate of rent and without any liability to Tenant for any loss of occupancy or quiet enjoyment of the Demised Premises thereby occasioned.

21. DAMAGE AND DESTRUCTOIN OF PREMISES:

(a) In the event:(i) of the destruction of the Demised Premises or the Building during the Lease Term which requires repairs to either the Demised Premises or Building; or (ii) the Demised Premises or Building is declared unsafe or unfit for occupancy by any authorized public authority for any reason other than Tenant's act, use, or occupancy, which declaration requires repairs to either the Demised Premises or the Building, Landlord shall forthwith make repairs provided Tenant gives Landlord twenty (20) days written notice of the necessity therefore. No such destruction (including any destruction necessary in order to make repairs required by any declaration made by any public authority) shall in any way annul or void this Lease except that Tenant shall be entitled to a proportionate reduction of Rent while such repairs are being made, such proportionate reduction to be based upon the extent to which the making of such repairs shall interfere with the business carried on by Tenant. If, however, the Building is damaged as a result of fire or any other insured casualty to an extent in excess of forty (40%) percent of its then replacement cost (excluding foundation), either party, within thirty (30) days following the date such damage occurs, may terminate this Lease by written notice to the other party; and upon such

termination, both parties, without further action, shall be released from any obligations or liabilities to each other. If Landlord, however, elects to make said repairs, and provided Landlord uses due diligence in making said repairs, this Lease shall be proportionately reduced as hereinabove provided. If Landlord elects to terminate this Lease, all rentals shall be prorated as of the date of such termination.

(b) The foregoing to the contrary notwithstanding, if the building is damaged or destroyed at any time during the term hereof to an extent of more than twenty percent (20%) of its then replacement cost (excluding foundation) as a result of a casualty not insured against, either party, within thirty (30) days following the date of such destruction, may terminate this Lease upon written notice to the other party; and upon such termination, the Landlord shall be released without further action, from any obligations or liabilities to Tenant. If Landlord does not elect to so terminate, Landlord shall promptly rebuild and repair the Demised Premises and Tenant's rental obligation shall be proportionately reduced as hereinabove provided.

(c) In the event fifty percent (50%) or more of the Building shall be damaged or destroyed by fire or other cause, notwithstanding that the Demised Premises may be unaffected by such fire or other cause, either party shall have the right, to be exercised by notice in writing delivered to the other party within sixty (60) days from and after said occurrence, to elect to cancel and terminate this Lease. Upon the giving of such notice to Tenant, the term of this Lease shall expire by lapse of time upon the third day after such notice is given, and Tenant shall vacate the Demised Premises and surrender the same to Landlord.

(d) Notwithstanding the above, if damage to the premises exceeds 25% or takes longer than 60 days to repair or replace, Tenant may at its option, terminate this lease.

22. ASSIGNMENT AND SUBLETTING:

Tenant shall have neither the power or the right to assign or sublease this Lease, or any interest therein, and Tenant shall not assign or sublet the Demised Premises or any part thereof, or any right or privilege appurtenant thereto, or permit any other person (the agent and servants of Tenant excepted) to occupy or use the Demised Premises, or any portion thereof, without first obtaining the written consent of Landlord, to be given or withheld in Landlord's sole discretion. Consent by Landlord to one assignment, subletting, occupation or use by another person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation or use by another person. Consent to an assignment shall not release the original named Tenant from liability for the continued performance of the terms and provisions on the part of Tenant to be kept and performed, unless Landlord specifically releases the original named Tenant from said liability. Any assignment or subletting without the prior written consent of Landlord shall be void, and, at the option of Landlord, shall terminate this Lease. Neither this Lease nor any interest herein shall be assignable, as to the interest of Tenant, by operation of law, without the prior written consent of Landlord.

23. DEFAULT, RE-ENTRY REMEDIES:

(a) If Tenant shall fail to pay any part of the Rent herein provided or any other sum required

by this Lease to be paid to Landlord at the times or in the manner provided, or if default shall be made in any of the other covenants or conditions on its part agreed to be performed and such failure to perform other covenants shall continue for ten (10) days after written notice thereof from Landlord to Tenant, then Landlord, besides other rights or remedies it may have, shall have the immediate right of re-entry and may remove all persons and property from the Demised Premises, without liability to any person or damages sustained by reason of such removal. Such property may be removed and stored in a public warehouse or elsewhere at the cost of and for the account of the Tenant.

(b) In the event of any default under this Lease, Landlord shall immediately become entitled to pursue any and all remedies available to it hereunder, at law or in equity. During the continuance of this Lease after a default, the whole amount of Rent and all additional rent herein reserved shall be due and payable at the time herein specified.

(c) Should Landlord elect to re-enter as herein provided, or should it take possession pursuant to legal proceedings or pursuant to any notice provided by law, it may either terminate this Lease to the same extent and with all the legal incidents as if the Term hereof had expired by lapse of time, or it may re-let, from time to time, without termination of this Lease, the Demised Premises or any part thereof for such term or terms (which may be for a term extending beyond the Lease Term) and at such reasonable rental and upon such other reasonable terms and conditions as Landlord, at its sole discretion, may deem advisable, with the right to make alterations and repairs to the Demised Premises. Upon such re-letting, the rents received by Landlord from such reletting shall be applied first to the payment of any indebtedness other than rent due hereunder from Tenant to Landlord; second, to the payment of any cost and expenses of such reletting and of such alterations and repairs; third, to the payment of Rent due and unpaid hereunder; and the residue, if any, shall be held by Landlord and applied in payment of future Rent as the same may become due and payable hereunder. If the rents received from such reletting during any month be less than that to be paid during that month by Tenant hereunder, Tenant shall pay any such deficiency to Landlord. Such deficiency shall be calculated and paid monthly. No such re-entry or taking possession of the Demised Premises by Landlord shall be construed as an election on its part to terminate this Lease unless a written notice of such intention be given to Tenant or unless the termination thereof be decreed by a court of competent jurisdiction. Notwithstanding any such reletting without termination, Landlord may at any time, thereafter, elect to terminate this Lease for such previous breach.

(d) Notwithstanding anything herein to the contrary, Landlord will have the duty to mitigate its damage upon tenant in the event of a default.

(e) Tenant agrees, in the event it is due to render performance in accordance with any term or condition of this Lease and it fails to render such performance within thirty (30) days after written notification thereof is given in accordance with the notice provision hereof, Landlord shall have the right, but not the obligation, to render such performance in a reasonable fashion and to charge all costs and expenses incurred in connection therewith to Tenant and all amounts so charged shall be due and payable immediately to Landlord upon presentment of a statement to Tenant indicating the amount of such cost or expense. Tenant, upon forty-eight (48) hours notice to Landlord, may inspect at reasonable times all invoices pertaining to the costs incurred in connection with

Landlord's performance of Tenant's obligations hereunder.

(f) No remedy herein conferred upon Landlord shall be considered exclusive of any other remedy, but the same shall be cumulative and shall be in addition to every other remedy given hereunder, or now or hereafter existing at law or in equity or by statute. No delay or omission of Landlord to exercise any right or power arising from any default shall impair any such right or power, or shall be construed to be a waiver of any such default or any acquiescence therein.

(g) No waiver by either party of the breach of any covenant of this Lease by the other party shall be construed as a waiver of any proceeding or succeeding breach of the same or any other covenant or condition of this Lease, nor shall the acceptance of Rent during any period in which Tenant is in default in any respect, other than the payment of Rent, be deemed to be a waiver of such default by Landlord.

(h) In the event any monies become due and payable from Tenant to Landlord and payment is not promptly made when due, then any and all sums unpaid shall bear interest at the highest rate permitted by applicable law per annum from the due date, except as may otherwise be provided herein.

(i) No act or conduct of the Landlord, whether consisting of the acceptance of the keys to the Demised Premises, or otherwise, shall be deemed to be or constitute an acceptance by Landlord of the surrender of the Demised Premises by the Tenant to the Landlord prior to the expiration of the Lease Term hereof, and such acceptance by Landlord of surrender by Tenant shall only flow from and must be evidenced by written acknowledgment of acceptance of surrender signed by Landlord.

(j) In the event of breach, default, or noncompliance hereunder by Landlord, Tenant shall, before exercising any right or remedy available to it, give Landlord written notice of the claimed breach, default, or noncompliance. For thirty (30) days following such notice (or such longer period of time as may be reasonably required to cure a matter which, due to its nature, cannot reasonably be remedied within thirty (30) days), Landlord shall have the right to cure the breach, default, or noncompliance involved.

(k) Anything in this Lease to the contrary notwithstanding, Tenant agrees it shall look solely to the herein described Demised Premises for the collection of any judgment (or other judicial process) requiring the payment of money by Landlord in the event of any default or breach by Landlord with respect to any of the terms, covenants, and conditions of this Lease. No other assets of Landlord shall be subject to levy, execution, or other procedures for the satisfaction of Tenant's remedies.

24. SURRENDER OF LEASE

The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, shall not work a merger, and shall terminate, at the option of Landlord, all or any existing subleases or subtenancies (if any be approved by Landlord), or, at the option of Landlord, may operate as an assignment to Landlord of any or all such subleases or subtenancies.

25. ATTORNEY'S FEES

In the event either party resorts to judicial proceedings to enforce any right under this Lease or to obtain relief for the breach of any covenant hereof, the party ultimately prevailing in such proceedings shall be entitled to recover from the defaulting party the costs of such proceedings, including reasonable attorney's fees as determined by the court and not by a jury.

26. REMBURSEMENT:

All covenants and terms herein contained to be performed by Tenant shall be at Tenant's expense, and if Landlord shall pay any sum of money or do any act which requires the payment of money by reason of the failure, neglect or refusal of Tenant to perform such covenant or term, the sum or sums of money so paid by Landlord shall be considered as additional rental and shall be payable by Tenant to Landlord on the first of the month next succeeding such payment, together with interest at the maximum rate permitted by law from the date of payment; provided that, such interest rate shall not exceed twelve percent (12%) per annum.

27. LATE CHARGE:

Any payment required to be made by Tenant to Landlord under the terms of this Lease not received within ten (10) days after the due date thereof shall be subject to a ten percent (10%) late charge.

28. QUIET ENJOYMENT:

Landlord covenants that upon paying the rentals and keeping and performing all the terms, covenants and conditions of this Lease, Landlord will do nothing which will prevent Tenant from peaceably and quietly enjoying, holding and occupying the Demised Premises during the term of this Lease.

29. WAIVER:

No covenant, term or condition of this Lease shall be waived except by written waiver of Landlord, and the forbearance or indulgence by Landlord in any regard whatsoever shall not constitute a Waiver of the covenant, term or condition to be performed by Tenant to which the same shall apply, and until complete performance by Tenant of such covenant, term or condition, Landlord shall be entitled to invoke any remedy available under this Lease or by law despite such forbearance or indulgence. The waiver by Landlord of any breach or term, covenant or condition hereof shall be strictly limited to the specific instance involved and shall not be deemed to apply to any other instance or to any subsequent breach of the same or any other term, covenant or condition hereof.

30. SUCCESSOR IN INTEREST:

The covenants herein contained shall, subject to the provisions as to assignment and subletting, apply to and bind the heirs, successors, executors, administrators and assignees of all the parties hereto; and all of the parties shall be jointly and severally liable hereunder.

31. PARTIAL INVALIDITY:

If any term, covenant, condition or provision of this Lease is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

32. CAPTIONS:

The various headings and numbers herein and the grouping of the provisions of this Lease into separate articles and paragraphs are for the purpose of convenience only and shall not be considered a part hereof.

33. NOTICES:
